Celebrating 20 Years of Success!

From our beginning in 1998, we have focused on helping members of our local communities thrive. We are 100 percent local and our staff is made up of your friends and neighbors in Polk and Dallas counties.

After only 18 months of operation in Johnston, we became profitable by 2000, and have paid state and federal income tax ever since — helping our local economies grow by reinvesting our profits and deposits into loans for personal, home and business improvements.

We want to be more than just your bank, we want to be who you turn to for financial assistance.

Contact Charter Bank today to get started, and find your best local financial fit with us!

Johnston 1998 headquarters at 5526 N.W. 86th Street, call us at 331-2265. Grimes 2000 first branch at 150 S.E. Gateway Drive, call us at 986-2000. Waukee 2001 second branch at 455 6th St., call us at 987-1000. Ankeny 2017 fourth location at 2905 S.W. Oralabor Road, call us at 446-2265.

Chart Your Success With Us!

Proudly serving the Grimes, Johnston and Urbandale area since 2001

- 4-year / 40,000-mile warranty
- Customized maintenance schedules save you money and extend the life of your vehicle
- ✓ Free shuttle service, pick-up and delivery in greater Des Moines
- ✓ Online scheduling and appointment reminders
- ✓ Digital vehicle inspections sent to your phone or email

CONGRATULATIONS on Discovering Grimes, Iowa

If you're reading this article, congratulations are in order. Because, whether you are new to town, just visiting, or your family has been here for generations, you are in one of the most progressive communities in Iowa. Visiting Grimes is fun, and living here is rewarding. We hope that you find this guide to be a great tool to help you learn about not only what is new in town, but also as a reminder of the many wonderful businesses and destinations that have served the community for years.

Brian W. Buethe

At Grimes Chamber & Economic Development (GCED), we represent over 280 local businesses and organizations that are serving the community. That is one of the reasons we take great pride in offering the annual Grimes Chamber & Economic Development Business Directory. It helps us ensure that as many people as possible are aware of the many GCED members who go the extra mile to make Grimes such a great place. Through their ongoing investments of time, money, and community engagement, they improve the quality of life for all who choose to live, work or visit Grimes.

Where can you find members of GCED? Many have very visible storefronts, but some businesses are located along streets you may rarely, if ever, drive down. You will often see their names at local school functions, at area fundraisers, on banners at major community events (i.e. Governors Days), etc. They employ local people, provide valuable service, and are the backbone of our local economy.

This guide can help you be aware of how to best keep your hard-earned money working for you and the community in which you live. People often express to members of Grimes Chamber & Economic Development that they want Grimes to remain unique. A great way to foster this goal is to do business with local and distinctly unique businesses. We must build and sustain what we value from the ground up.

Thank you for being in Grimes, and for being part of a wonderful story being played out right here in the middle of America. We look forward to seeing you around town!

Brian W. Buethe President/CEO, Grimes Chamber & Economic Development

WHAT IS A Chamber of Commerce

Grimes Chamber & Economic Development (GCED) acts as a catalyst — a common vehicle through which business and organization professionals work together for the common good of the community. GCED is involved in Economic Development, Tourism, and traditional Chamber of Commerce activities. We exist to support our members first, while continually working to improve the community of Grimes. We work closely with all levels of government (local, state, and federal) to ensure that the business community's perspectives are always considered when policy is being created or amended.

Through this model, we provide value to our members, which helps them to be more successful in their endeavors. We support our local school districts, service organizations, and do our best to encourage and support civil discourse and foster productive conversation whenever possible. Like other organizations, GCED evolves over time

Regional Connectivity & Exposure

Businesses that become members of Grimes Chamber & Economic Development automatically gain dual membership in the Greater Des Moines Partnership (GDMP) at no additional cost. Through this relationship, our members have networking access to more than 6,000 businesses across central Iowa.

Through this dual membership model, members are listed on the regional website (www.dsmpartnership. com), will receive regular correspondence from GDMP containing regional news, updates on upcoming events and opportunities, etc. Not only are our members more visible, but they have a greater awareness and voice in a variety of local and regional initiatives.

YOUNG Professionals

YP Grimes Yearly Individual Membership: \$20

BENEFITS:

- Membership in Young Professionals runs on a calendar year basis.
- Members will receive the opportunity to attend Young Professionals educational, leadership, civic and social events at no cost or at a reduced cost.
- All YP members upon membership will receive a YP Grimes exclusive shirt.
- Members will gain valuable opportunities to engage in discussion with other young professionals in and around the Grimes area, as well as connect with business professionals.

Young Professionals of Grimes (YP-Grimes), created by Grimes Chamber & Economic Development, allows area YP to network, learn, and engage in Grimes. The goal of YP Grimes is to connect Young Professionals in the Grimes to the resources they need to succeed! Join us for an event this year; we'd love to meet you! For specific dates and times check out our Facebook page @youngprosgrimes.

HOW TO JOIN:

If you have interest in becoming a YP Grimes member, email kaylab@grimesiowa.com

A good neighbor has your back.

HOMETOWN FEEL drives quality growth

Those who have lived in Grimes for a few years or longer have witnessed firsthand the dramatic increase in residential options throughout the community. New subdivisions are established every year, which are followed shortly thereafter by new home, new apartment or new business construction.

Dozens of different construction companies are building homes in Grimes, which is also an important factor because it allows for a great variety in architecture. This variety adds character to the community. The builders get involved in Grimes for different reasons, but one major reason is they are drawn here by reputable developers — the people who acquire the land, plan the development, build the roads and then sell the lots.

When given the opportunity, we ask people why they are choosing to live in the community. The reasons are many, but often cited is the great respect and admiration people have for the two remarkable school districts that serve the children of Grimes. In general, the Dallas Center-Grimes Community School District serves all areas in Grimes west of Highway 141. The Johnston Community School District serves areas in Grimes east of Highway 141. Both districts are growing. A new high school complex is what you see on one side of 141, in Johnston, along its western border with Grimes.

Dallas Center-Grimes opened the doors on the new Heritage Elementary along N.E. Beaverbrooke Boulevard this past fall.

Other commonly indicated reasons for choosing Grimes is its close proximity to many of the metropolitan area's destinations, many of which are being established right in Grimes. Local examples include destination type recreation businesses such as Beaver Creek Golf Club (27-hole bent grass course), Climb Iowa (largest indoor rock climbing facility in Iowa), MB2 Raceway (indoor go kart racing), Old School Pinball & Arcade (more than

50 restored pinball machines and arcade games), Sky Zone (huge indoor trampoline park), and a growing array of wonderful restaurants. Contact information for all of these destinations can be found on the GCED website at www.grimesiowa.com.

New subdivision growth continues in the community. The largest subdivision currently underway is Heritage at Grimes and represents more than 400 contiguous acres of easily accessible area on the north side of Grimes. This subdivision combines traditional single family home development with great new greenspace amenities, trails, a town center and high-end commercial development area. The development of this area will also provide improved access to much of the new development areas in northern Grimes.

These types of developments, combined with ongoing and planned improvements to area transportation networks, will ensure that Grimes not only continues to grow, but that the bar for the quality of growth is set high.

DR. JEROME J. **ZORTMAN**

IOWA STATE UNIVERSITY

Extension and Outreach

Every year more than 1 million people directly benefit from lowa State University Extension and Outreach programs, and we connect with millions more online.

We're building a strong lowa.

For every \$1 invested in Buy Eat Live Healthy nutrition education, \$2.48 is saved in future health care costs – helping parents raise healthy kids.

We provide skills training for community leaders, local government officials, business owners, entrepreneurs, and volunteers to help sustain lowa communities for the future.

We help farmers connect through peer networks, increasing the success of farm businesses.

4-H **builds skills in young people** so they're ready for college and careers.

We teach foodservice workers how to handle food safely, so lowans don't get sick.

Crop Advantage education helps producers better manage operating margins and improve farm business efficiency.

We collaborate with communities to support local food systems, including urban farms, food hubs, and public market feasibility studies.

lowa's 945 cities better understand their financial performance with our customized socioeconomic and fiscal information.

Master Gardener projects are focusing on increasing the amount of fresh produce donated to local food pantries.

FROM THE DC-G superintendent...

The Dallas Center-Grimes School District is deeply committed to providing every child a quality education in a safe environment. We cannot do this alone. The support of parents, staff and our community is vitally important to ensure that all of our children are prepared to be successful workers, family members and citizens in a global environment.

Our school district serves nearly 3,000 students in grades PK-12. Dallas Center and Grimes are ideally located just minutes west of the Des Moines metro area. Both Dallas Center and Grimes offer unique, small town environments that provide a strong sense of community. We are very proud of our schools and the strong support that we receive from the parents, local businesses and patrons in the district.

DC-G is focused on continual improvement using our learning model as found on our website (dcgschools.com). This model ensures that student learning is our foundation and is a constant reminder of our purpose. We use data to validate that our students are achieving and that we are providing the appropriate curriculum and resources. Student achievement is measured with classroom, grade level and course assessments and through the use of standardized assessments, in which our students are compared to others across the state and nation. Students in the DC-G School District continue to perform above national and state averages.

- South Prairie, North Ridge, Heritage and Dallas Center Elementary will serve Kindergarten through fifth grade. Each building serves a different boundary area in the District.
- Dallas Center-Grimes Middle School in Dallas Center serves grades six and seven.
- Dallas Center-Grimes Meadows in Grimes serves grades eight and nine.
- Dallas Center-Grimes High School in Grimes serves grades 10 through 12.
- Metro West, an alternative high school consortium with other schools, is located in Urbandale.
- Preschool students are served in Heritage as well as with our community partners: Kids Korner in Dallas Center and Brighter Beginning in Grimes.

DCG has community partnerships that offer before and after school childcare programs in each of our elementary buildings through local groups.

Our schools provide a safe, supportive learning environment with many opportunities for students to develop a strong academic foundation. This environment is supported by the excellent district facilities. Five of the six school buildings have been constructed within the last 14 years. In addition, we have built and upgraded our outdoor athletic facilities. This includes a stadium for football, soccer and track at the high school, major renovations and additions to the baseball field in Dallas Center with plans for an updated softball complex. A performing arts center was added to the high school campus to meet the needs of our music and drama programs as well as

serving the community.

As our world changes, schools must enact steps to keep up with those changes. The technology that our students have available to them at school continues to increase. All students in grades 8-12 have a laptop to use at school and at home to enhance their education. The rest of the district has increased technology access as well, with mobile lap top carts and iPads, projectors, document cameras and Smart Boards. The staff grows through on-going professional development, learning how to use and integrate technology in the classroom to increase student learning and prepare them for their future.

On behalf of the Board of Education and our employees, we welcome you and your family to the Dallas Center-Grimes Community School District.

Scott Grimes, Superintendent Dallas Center-Grimes Community School District

FROM THE mayor and city council...

On behalf of the city of Grimes, we welcome you. We have worked with the staff of Grimes Living magazine and Grimes Chamber & Economic Development to create not only an official business directory for the community, but also a central point for information on city services, organizations and boards.

Our staff at City Hall fields a number of questions each day, and we address the ones we hear the most in these pages. Whether you are a long-time resident, new to the community or just trying to learn more about our city, you will find this guide to be helpful and informative.

We encourage each of you to take an active role in shaping Grimes by becoming involved in city government or any of Grimes' many civic organizations. We are truly pleased to call Grimes our hometown.

With the community's strong family orientation, wholesome setting for children and adults, and affordable residential living, Grimes brings new meaning to the term "family values." A growing number of people are escaping the fast pace of Des Moines and moving to Grimes. And you all know why.

Grimes is a wonderful place to raise a family. Children in Grimes benefit from the city's commitment to education. In the elementary schools, the new middle school and the high school, the Dallas Center-Grimes School District provides some of the finest education, facilities and teachers.

Grimes provides a wide variety of housing options for any budget. The housing developments in Grimes have a wide range of new and existing homes to choose from. There is also an ample supply of apartments for various budgets. Our housing options are rounded out with a number of mobile home parks. With the multiple housing options available, quality living in a secure environment is easy to find.

With a current population of 11,423 and more than 400 businesses, Grimes has changed dramatically since its founding in 1881. Yet, even today, there's still that friendly Midwestern atmosphere and sense of community that brings people close together. Located just to the northwest of the Des Moines metropolitan area, Grimes is close enough to enjoy the metropolitan advantages, yet far enough away to maintain small-town security and peace of mind.

With the growth of Des Moines' metro area, Grimes is uniquely poised for continued growth. We hope that you share the excitement we have for our community. We look forward to your joining us in working to make Grimes your "hometown."

If you have any questions or would like further information about Grimes, please call City Hall at 515-986-3036. The city staff will be happy to help you. Feel free to contact any of us at the numbers below our photos.

PARKS & Rec

The Grimes Parks and Recreation Department is in charge of leisure activities in the City of Grimes. These include the parks and trail system, Grimes Community Complex, Grimes North and South sports complexes and the recreation programs for the citizens of Grimes. Grimes features several city parks.

CITY PARKS

- Waterworks Park, located along North James Street north of Highway 44, has two shelters, two playgrounds and ball diamonds.
- Lions Park, located at the east end of North Fifth, North Sixth and North Seventh streets, has a shelter, T-ball fields, greenspace, soccer fields and playground equipment.
- Beaverbrooke Park, located east of N. James Street and south of N.E. 11th Street, has a shelter, grill, greenspace and play structure.
- **Shawvers Park**, located east of S.E. Shawvers Drive, has a shelter, grill, greenspace and play structure.
- North Pointe Park is located off Highway 141 and N.E. 18th Street and

includes play equipment, shelter, and basketball court.

- Glenstone Park is located off S.E. 37th Street along the Johnston border and includes greenspace, basketball court, shelter and playground equipment.
- Autumn Park is located off of Highway 44 at 200 N.W. Brookside Drive and includes play equipment, swings and a basketball court.
- South Grimes Sports Complex covers 44 acres in the southwest area of Grimes. It includes two tennis courts; multiple soccer fields, including one lighted tournament field; three volleyball courts; three softball fields; four baseball fields; two basketball courts; a skate park; walking trails; concessions stand; and a large play structure. The complex is located along South James Street, just south of the Grimes Elementary School.
- North Sports Complex has 25 acres in the northern part of Grimes near the North Ridge Elementary School. It has six softball fields with hitting cages and pitching areas, concessions stand, and walking trails.

Please check online at www.grimesiowa. gov under Parks and Recreation for more program information. To reserve one of the shelters for free, call the Grimes Parks and Recreation Office at 986-2143. The Grimes Parks and Recreation Office is open from 8 a.m. - 5 p.m. Monday through Friday and is located in the Grimes Community Complex, located just off of Highway 44, south on Main Street where the old Middle School existed. Brett Barber is the Parks & Rec director. The gym is a popular spot for sports teams to practice and for adults to play pick-up volleyball and basketball games. Citizens can rent the court as well as different rooms of the facility for parties, reunions, meetings, celebrations, etc. by calling Grimes Parks and Recreation Office at 986-2143.

Grimes Parks and Recreation is located inside the Grimes Community Complex (GCC) 410 S.E. Main St. • 515-986-2143 www.grimesiowa.gov/parksandrecreation
