DSMpartnership.com

eCertify is a user-friendly online solution that transforms the costly, time-consuming paper-based process for stamping and signing of Certificates of Origin into a streamlined electronic system.

BENEFITS

- Eliminates paper-based processes
- Saves time with faster turnaround
- Increased compliance and record keeping
- Submit without leaving your office
- Reduced manual data entry
- Immediate notification regarding certificate acceptance or rejection
- Works with virtually any software platform

TESTIMONIALS

“ At Kemin we currently export food ingredients to Belgium, India, China, Singapore, Taiwan, Indonesia, Thailand, Malaysia, Korea, Vietnam, Australia and New Zealand. I absolutely love that The Partnership has eCertify, because it has made my job easier. The paperwork can be overwhelming, but now I go online and have the documents I need almost immediately. ”

— Phyllis Paschal, Kemin Industries

“ I like that the website is very easy to use. I also like that I can receive my approved documents the same day. ”

— Lezlie Wheeler, Check-All Valve Manufacturing Co

STAMPED • SIGNED • CERTIFIED • RETURNED • FAST

Fill out your certificate and submit.

Log on to eCertify and register your company.

Certificate is verified and approved.

Certificate approval is returned directly to your inbox.

Pay for your document and print at your convenience.
