## **CENTRAL IOWA HUMAN CAPITAL SURVEY**

## **CONNECTED COMMUNITY**

In order to determine the Community Connectedness of our residents, this survey focused on the beliefs and experiences of the residents of Central Iowa to assess the degree to which they feel connected and embedded to the region and to determine the likelihood that they will remain in the Central Iowa Community. The following is a snapshot of responses from the approximately 3,000 respondents.

CAPITAL CROSSROADS

and would recommend to others

Vote in local elections

Believe people are treated with civility & respect

Have strong friendships outside of work

Believe this community encourages and

supports a balanced and productive lifestyle

AN INITIATIVE OF CAPITAL CROSSROADS:
