Connection to Regional Leaders

The Partnership is committed to providing professional development and networking opportunities for the Executive Director and Chamber Board President to learn about best practices from experts and meet peers in the region. Affiliate Chambers and Members are convened for:

- Affiliate Presidents' Council Monthly Meetings
- Quarterly Director Meetings
- Annual Chamber Board Retreat

Partnership staff reach out to your new members to welcome them, thank them for joining your chamber, and find out what their top priorities are so we can share with them customized information about the resources available to them through their dual-membership.

Public Policy Support

The Partnership's Public Policy team engages with state and federal officials to create public policy that generates economic growth, business prosperity and talent development. Through these advocacy efforts your Chamber receives:

- Connections to Iowa's Congressional delegation and staff, State Legislator and Iowa's Executive Branch.
- Support and advocacy on issues important to your Chamber and Members, including economic development, small business, quality of life, workforce housing, workforce, education and childcare.
- Invitation to participate in the Government Policy Council (GPC), which is made up of Partnership Investor and Affiliate Chamber Member organizations, which shapes The Partnership's state and federal public policy agendas.

ABOUT THE GREATER DES MOINES PARTNERSHIP

The Greater Des Moines Partnership is the economic and community development organization serving Greater Des Moines (DSM), united to drive economic growth with one voice, one mission and as one region.

Together, with more than 400 Investors, 12 Counties and an Affiliate Chamber of Commerce network of more than 6,700 Regional Business Members, The Partnership is the third largest regional chamber of commerce in the nation. Through innovation, strategic planning and collaboration, The Partnership drives economic growth and talent development to enhance quality of life in DSM by creating opportunities, supporting job growth, and promoting the region as the best place to build a business, career and future.
